December 20, 2012

---

An act to amend Sections 16740, 16890, and 32390 of, and to add Sections 16740.5, 30301, and 32311 to, the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL’S DIGEST

AB 48, as introduced, Skinner. Firearms: ammunition: sales.

(1) Except as specified, existing law makes it a crime to manufacture, import, keep for sale, offer or expose for sale, or give or lend any large-capacity magazine, and makes a large-capacity magazine a nuisance. Existing law defines “large-capacity magazine” to mean any ammunition feeding device with the capacity to accept more than 10 rounds but excludes, in pertinent part, a feeding device that has been permanently altered so that the magazine cannot accommodate more than 10 rounds.

This bill would make it a misdemeanor, punishable by a fine of not more than \$1,000 or imprisonment in a county jail not to exceed 6 months, or by both that fine and imprisonment, to knowingly manufacture, import, keep for sale, offer or expose for sale, or give or lend any device that is capable of converting an ammunition feeding device into a large-capacity magazine. The bill would revise the definition of “large-capacity magazine” to mean any ammunition feeding device with the capacity to accept more than 10 rounds, including a readily restorable, as defined, disassembled large-capacity magazine,

and an oversize magazine body that appears to hold in excess of 10 rounds. The bill would make related, conforming changes. By creating a new crime, this bill would impose a state-mandated local program.

(2) Existing law prohibits any person, corporation, or dealer from selling ammunition to a person under 18 years of age, selling ammunition designed for use in a handgun to a person under 21 years of age, or providing possession of any ammunition to any minor who the person, corporation, or dealer knows is prohibited from possessing that ammunition at that time. Existing law prohibits a person, corporation, or firm from giving possession or control of ammunition to any person who he or she knows is prohibited by law from possessing ammunition. Existing law also regulates handgun ammunition vendors and provides that a handgun ammunition vendor shall not permit any employee who the vendor knows or reasonably should know is a person who has been convicted of a felony or other specified crimes to handle, sell, or deliver handgun ammunition in the course and scope of employment.

This bill would require anyone in the state, prior to selling, transferring, or otherwise furnishing ammunition to an individual or business entity in this state or any other state to require proper identification, as prescribed, to be an authorized firearms dealer, and to report the sales to the Department of Justice. An individual who fails to make the required report or who knowingly makes a report with false or fictitious information would be guilty of a misdemeanor, as specified. By creating a new crime, this bill would impose a state-mandated local program.

The bill would require the department to alert local law enforcement entities in the community in which the purchaser resides if an individual purchaser who is not a peace officer obtains more than \_\_\_\_ rounds within a 5-day period.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
